

We are looking for an Audiologist to join us at Ritcey Hearing. We have 2 clinics one in Grand Falls NB and the other in Woodstock NB.

We are a small and supportive team providing a full range of diagnostic and rehabilitative services.

Ritcey Hearing is owned and operated by an Audiologist and a HIS.

We provide a variety of services such as Hearing Assessments, Cerumen Removal, Consultations, Tinnitus Consultations and Hearing Aids & Related Services.

The position is for a full-time audiologist. However, we are flexible, and a part-time candidate will be considered.

Required Qualifications include master's degree in Audiology and registered and in good standing with NBASLPA and SAC.

Ability to communicate in French and English is an asset. Must be able to work well with the team as well as able to work independently at times.

Good organizational skills and ability to multitask is essential. You must be personable, professional, adaptable, reliable and have an interest in continuous professional development, (this may require travel at times).

You will need to have your own means of transportation.

Training will be provided if required in any area you may not have independence confidence such as cerumen removal, prescriptions, hearing aid fitting, repair, referrals, charting....

Health Benefits available.

Salary pending on candidate experience, training required and terms of employment.

If you are interested in applying for a career in small clinical settings, in rural NB, where helping people is the main objective, we would like to hear from you. Please send your resume with a cover letter to info@ritceyhearing.com.
