

The **Ear & Hearing Clinic** has been providing hearing health services to the public since 1997. We are an award-winning clinic with deep community roots dedicated to high quality service. We currently have 3 clinic locations and provide service to 22 retirement communities. **We are looking for an Audiologist or Hearing Instrument Specialist to provide service to retirement communities within a 3 hour radius of Waterloo Region.** Hours can be negotiated with the right person to fit a part-time or full-time role.

This is a mobile position. Applicants must have a reliable vehicle and be comfortable travelling to our retirement communities in southwestern Ontario. This position is based out of our head office; however, the flexibility to work part-time from home could be considered. We are looking for a calm, compassionate personality with great troubleshooting skills who can work well independently and in a team.

Key Competencies:

- Strong interpersonal, communication and problem-solving skills
- Receptivity and adaptability to change
- Prioritizing, planning and organization
- Multi-tasking with disciplined time management
- Analytical, attentive to detail, good follow through
- Professional written & verbal communication

Your Tasks:

- Provide comprehensive hearing evaluations
- Recommend, select, fit and verify, modify, repair appropriate amplification
- Competently and safely take ear impressions and provide cerumen management when required
- Counseling and care of older and oldest adult hard of hearing clients
- Occasional home visits
- Compliance with industry standards for treatment and client care
- Consistent and accurate reports and documentation relating to all clients

Your Profile:

- Master's Degree in Audiology or HIS certification
- Effective ability to communicate in English (written and oral)
- Licensed (or eligible for licensing) by the provincial regulatory body
- G class driver's licence and access to personal vehicle (kilometers will be reimbursed)
