Davidson
Hearing Aid Centres

Celebrating **75** *Years*
1943 - 2018

Position: We are looking for an Audiologist or Hearing Instrument Specialist to fill a maternity leave position in our Arnprior clinic. This is a one year contract with an option to extend if mutually agreed upon. Position start date would be June or July 2022.

Requirements: Audiologists: registration with CASLPO and ADP (or a new graduate who has all of the requirements to attain registration with CASLPO and ADP)

Hearing Instrument Specialists: registration with AHIP and ADP.

How Davidson offers a unique work environment:

Industry Leading Experience - For over 75 years the Davidson family has proudly served the community helping improve the lives of thousands of people. We are the oldest family owned hearing aid clinic in Canada.

Our Exceptional Team - We have a staff that we believe is second to none. We invest a lot of time and energy in selecting and training our staff. Our team is very knowledgeable, experienced, and skilled at problem solving. We also have very little staff turnover.

Our Emphasis on Continuing Education - We believe that continuing education is imperative to being successful in this profession. As such, we schedule ongoing training for all of our clinicians to get together on a regular basis. In addition to this, we cover the full costs of attending one annual conference.

Work With All Manufacturers - Our independence means that clinicians are free to prescribe hearing aids from any brand that they feel is best for each client. We work with Oticon, Phonak, ReSound, Signia, Starkey and Widex on a daily basis. We can also service, repair and order products from any of the other manufacturers.

Competitive Salaries - No pressure to make sales, no quotas, just an expectation to do what is right for each patient who you see. We also cover annual association fees, practice insurance and training expenses.
