

Hear Right Canada hearrightcanada.ca

Employment opportunity (with or without a Co-ownership opportunity)

We are a group of 55+ audiology clinics across Canada. We focus on patients not targets. We believe in honesty, integrity and a belief that by truly helping patients we will secure a profitable and long future for ourselves.

Most of our professional staff are not only employees but also co-owners/partners with us in the clinic they work in. This provides them with the opportunity to make more money than anyone would ever pay them as employees alone. They can earn money three ways: 1) salary and benefits, 2) profits sharing 3) equity (when you retire/leave we will buy back your interest in the clinic and you will receive a large payment). Separate from compensation co-ownership/partnering offers you the opportunity to come to work each day to a clinic that is yours. Hear Right is a real partner and together with will manage and grow the clinic. We aim for a dynamic and flexible work environment. In addition to providing a high level of care, we aim to make our work environment a fun and enjoyable place to work.

We have 3 opportunities open today. These locations include the opportunity to be a co-owner/partner in addition to salary and benefits. The 3 locations are:

- **London** Ontario
- **Whitby** Ontario and
- **Port Hope** Ontario

The clinics have been in place for a number of years and have established patient flow.

What is required of you?

- CASPLO registration in good standing
- Experience is an asset, however, we can also take & train new grads
- A desire to succeed and to help patients.

Apply with a resume to sylvia.tavares@hearrightcanada.ca
