Westgrove Professional Building  
14211-103 Avenue  
Edmonton, AB, T5N 0S9

## **MATERINITY LEAVE- FULL-TIME AUDIOLOGIST POSITION**

***Whilst our audiologist is raising her baby (future audiologist ☺), we are in search of a full-time audiologist for a 1-year position (starting October 3rd, 2022).***

***The applicant will participate in all aspects of Pediatric and Adult Audiology. Offering competitive salary, benefits and further training opportunities.***

### **About the Clinic:**

We offer full range of diagnostic and rehabilitation services including:

OAEs, ABR testing, APD evaluation, Hearing aid and FM fittings for all ages including infants and emphasis on follow up to ensure successful fittings. We specialize in pediatric assessment and habilitation.

### **The Audiologist will carry out the following duties:**

- Assessment of hearing in babies, children and adults, including referrals from physicians and audiologists.
- Selection and performance of an appropriate test protocol including history taking.
- Analyze and interpret a broad spectrum of pediatric and adult audiological test results.  
Communication of complex test procedures, results, implications and rehabilitative strategies, in a patient friendly and empathic way to patients, parents, relatives and caregivers.
- Liaise and collaborate with other professionals and service providers.
- Selection, precise fitting, and evaluation of digital hearing aids using real ear measurements including the use of the DSL prescription for pediatric fittings.
- Provide appropriate detailed reports to referring clinicians including the analysis and interpretation of clinical tests, recommendations and advice regarding patient management.
- Be responsible for ensuring the correct operation and use of all audiological equipment and facilities within his/her jurisdiction and daily utilization of an integrated testing/patient management system, including the input of clinical data accurately.

### **Personal Specification:**
