

Position: Audiologist

Location: Remote (Providing coverage across GTA west/east clinics)

Why work at Hearing Solutions?

Working at Hearing Solutions gives you the opportunity to make a difference. Hearing enables us to live our best life without limitations and connect with others and the world around us. You are connecting people to the world of sound.

We are building a culture of collaborative and curious minds who not only do great work, but also inspire others to do the same. We celebrate those who live our core values and achieve results.

Our environment is warm and welcoming. Our people support each other, and positive relationships are fostered. We recognize that our business' success is solely achieved through the contributions of our employees. When our employees are happy and successful, our business thrives.

Make an impact. Feel good. Thrive and succeed.

About this exciting opportunity:

Our Clinicians are the heart and face of Hearing Solutions. By building trust and providing expertise and compassion, they bring our core values to life.

Because of this important role they play in our business, we are looking for amazing and passionate hearing healthcare professionals who take pride in what they do and endeavour to make a positive difference every single day!

What you will do:

We are seeking an experienced Audiologist or Hearing Instrument Specialist to support multiple clinics located in the GTA west and east regions.

In this role, you will have a unique opportunity to travel to and work at different Hearing Solutions clinics. You will have the pleasure of working with various staff and servicing an array of patients. As well, you will be able to learn and use the latest industry techniques and technology as you carry out your profession.

Services you will provide patients with may include initial consultations or hearing tests, hearing aid repairs, counselling of issues or concerns, dispensing of hearing aids, and follow-up care.

If you are a passionate and caring professional who is looking for a role where you can provide outstanding service to patients at various stages in their journey to better hearing, we would love to connect with you to share more about why a career at Hearing Solutions is right for you!

What you bring:

You are a highly motivated, dynamic individual with excellent interpersonal skills. You present yourself positively and professionally every single day, coupled with the ability to quickly establish and rapport to gain trust and credibility with patients.

- Master's Degree in Audiology or HIS Certification
- Licensed by CASLPO/AHIP as well as ADP
- Professional written and verbal communication
- Strong ability to communicate clearly and effectively with patients and counsel according to their specific needs
- Analytical; attention to detail; follow through skills
- Caring and compassionate customer approach; patience/listening
- Persuasive skills to influence outcomes
- Curiosity
- Accountability and ownership; results oriented
- Adaptable and organized with the ability to multi-task and prioritize effectively
- Valid license and access to a vehicle for travel within the GTA

As a part of our hiring process, we require applicants to complete a 30 minute online pre-employment profile assessment.

We recommend taking the assessment in an environment where you can focus and not have any distractions.

Please use the following link (copy & paste into your browser) to access and complete your assessment which is a requirement to move through the recruiting process.
