

We are seeking a dedicated Audiologist to become a member of our closely connected team and patient base for our clinic located in Tecumseh Ontario. This position is a temporary contract with Hearing Wellness Centre, with an option to extend to a permanent full-time role.

Our team has a reputation of high-quality service and care. We strive to exude compassion in all interactions and transparency is essential. The goal is to continue to provide exceptional care and build the practice.

Professional Responsibilities:

- Complete audiological assessments; determining type and degree of hearing impairment and effects on comprehension and speech; interpreting audiometric diagnostic data; preparing written diagnostic reports including comprehensive testing for DVA, WSIB, and police testing.
- Audiological treatments including cleaning ear canal; fitting hearing aids, accessories, and other assistive devices; programming hearing aids and FM systems.
- Administering Real Ear Measurements
- Counseling patients and families including training on use and maintenance of hearing devices; supporting new and existing patients with highest standard of after care.
- Identifying and advising patients on any conditions and making appropriate referrals.
- Maintaining complete and accurate patient records by recording and updating evaluations, changes, progress, and treatments relating to patients.
- Tinnitus counselling
- Hearing instrument rechecks, and patient follow up
- Custom Ear molds
- Work as an active team member
- Occasional team meetings

**Your Profile:**

- Registration and to be in good standings with CASLPO
- Masters in Audiology minimum
- Two plus (2+) years' experience in dispensing hearing devices
- Experience performing audiological diagnostic tests
- Competence selecting appropriate hearing devices for patients
- Current knowledge of hearing instrument technologies
- Ability to maintain provincial licensing
- Ability to provide employment references upon request

Our Offer:

We value kindness and a service-oriented environment. Overall, our team is relaxed yet motivated. Typical hours are 9-5 Monday through Thursday for full-time. We are hoping to add someone 2-3 days weekly to begin. Health benefits are an option to be discussed and salary is competitive. The Hearing Wellness Centre is an equal opportunity employer.

We thank all those who apply, but only applicants who meet the initial screening criteria will be contacted for interviews.
