

WE'RE HIRING

We are looking for a full-time Audiologist, preferably with 1 to 2 years of experience in fitting hearing aids and a preference for working with adults. Audiology First is a one-of-a-kind Audiology based clinic, established in 2015. The position is open to all levels of experience; new graduates should also apply as training and mentoring will be provided. You would become one of three clinicians, one of whom is the clinic co-owner. We also employ two administrative staff.

What we offer:

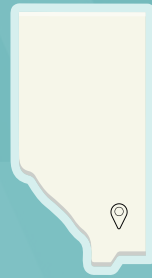

- A competitive salary, and a lower cost of living relative to many parts of Canada.
- The best diagnostic equipment in your very own spacious diagnostic/fitting room and booth.
- A single location - No additional travel is required!
- Generous appointment durations.
- Excellent medical benefits
- 3 weeks of paid vacation
- Weekday hours (no weekends!)
- Professional development opportunities
- Paid annual professional membership dues (ACSLPA) & paid liability insurance.
- A collaborative, client-focused work ethic - working alongside the clinic owners directly.

Tasks and responsibilities

- Adult hearing care.
 - Hearing assessments and reporting.
 - Some basic balance screenings occasionally
 - Fittings
 - Follow-ups and repairs
- Involvement in case discussions and staff meetings.

Skills and Qualities needed

- An evidence-based practice mentality. We are not about numbers, but the quality of service.
- Ability to be licensed with ACSLPA, or hold a current license with ACSLPA.
- Skill at fitting hearing aids.
 - Confidence with REM, RECD
 - Openness to learn and adapt
 - Willingness to take on additional projects and responsibilities to develop our clinic further.
- You need a good sense of humor and a good perspective on balancing work and life!
