

## Audiologist – Ottawa (Manotick), ON

**Hearing Freedom - Clinique de Solutions Auditives** is looking for an Audiologist to join their amazing team!

As one of Ottawa's few Independent dispensing clinics, Hearing Freedom-Clinique de Solutions Auditives offers the rare opportunity to practice hearing healthcare without limitations and without quotas. Since 2001, its Audiologists have enjoyed working in a flexible and friendly environment where patient needs always come first and where their professional judgment of all hearing aid and ALD makes & models is exercised. Dispensing clinic hours are regularly offset with ENT support clinics, balancing the Audiologist's clinical practice. Hearing Freedom - Clinique de Solutions Auditives without a doubt offers a remarkable environment where professionals can enjoy working with autonomy as well as part of a team.

If work culture is important to you and if you are seeking a position where you can apply your knowledge and skillset to maximize helping your patients reach their full hearing potential, this position may be a fantastic opportunity. We would love to hear from you!

The ideal candidate is seeking a Long Term, Full or Part Time (min. 3d/wk), Dispensing Audiology position and has knowledge of all product makes and models. The successful candidate will have a Master's or Doctorate degree in Audiology and be registered and in good standing with CASLPO. A vehicle and a valid driver's license with appropriate insurance are required. Applicants should apply evidence-based practices for both their assessments and rehabilitative work and have strong interpersonal skills, be flexible, enthusiastic, motivated, hardworking and driven. Fluent Bilingualism (French and English) is favored.

If the above describes you and the work culture you are seeking, please email Rosanne McNamee your resume in PDF format at [rlaudio@hotmail.com](mailto:rlaudio@hotmail.com) or contact her for faxing and/or mailing information.

**What are you waiting for? Take your first step towards your long, happy and fulfilling career at Hearing Freedom - Clinique de Solutions Auditives!**
