

Audiologist, Starship Community

Here is a great opportunity to make a difference to our tamariki and their whānau!

- Permanent Paediatric Audiologist
- The Hearing & Ear Health department at Starship
- New Zealand's largest Audiology Service in the public sector.

Ko wai mātou | Our Organisation

We are Te Whatu Ora Te Toka Tumai Auckland. We provide health and disability services to more than half a million people living in central Auckland, regional services for Northland and greater Auckland, and specialist national services for the whole of New Zealand. Our main sites are Auckland City Hospital, Greenlane Clinical Centre and Starship Children's Hospital, located in central Auckland

At Te Toka Tumai Auckland we are committed to upholding Te Tiriti o Waitangi and providing culturally safe care. We value role modelling manaakitanga as demonstrated by Ngāti Whātua in the gifting of their whenua on which our hospitals stand. We aspire to having a workforce reflective of the communities we serve and achieving equitable outcomes for all.

[**Starship Community**](#) provides multidisciplinary care and cultural support to children, young people and their whānau living within the Auckland DHB area. Our nursing, allied health and technical staff deliver health care services to children, young people, and their whānau in their home, school and community settings. A part of this service is the Hearing & Ear Health team consisting of our talented Audiologists; Newborn Hearing Screeners, Ear Nurses and Vision and Hearing Testers.

Te whiwhinga mahi | The Opportunity

As our service continues to grow, we are now looking for a qualified Audiologist to provide diagnostic and rehabilitative audiological services to a variety of patients with complex cases. We can offer a part-time position with 32 hours per week working across our audiology clinics in the Auckland community.

As an Audiologist you will undertake teaching and research tasks appropriate to the Audiology service; local community and hospital. You will work across all clinics/ sites to create and maintain working relationships with stakeholders within the service and wider ORL team.

As a service we offer:

- A comprehensive and well-structured orientation programme and a supportive and safe learning work environment.
- Considerable on-going opportunities to extend your current skills in a wide range of specialities including diagnostics, hearing aids and electrophysiological testing.
- Being the largest public sector Audiology service in the country, the exposure and direct experience we can provide is second to none.
- Opportunities to participate in clinical student teaching, in-service/ professional development and peer review.

For further information, please refer to the position description [here](#).

Nga Pūkenga Motuhake | Important Skills

We welcome applications from those with:

- A professional qualification - Masters of Audiology.
- Prior experience and knowledge in audio logical techniques.
- Strong computer skills & an effective communication approach.
- A current, full & clean NZ driver's license.
