

Abbotsford Hearing Clinic

#100-2975 Gladwin Rd. Abbotsford, BC V2T 5T4

Ph: 604-850-0277 fax: 604-850-7019

Audiologist or Hearing Instrument Practitioner

We are looking for a certified Audiologist or Hearing Instrument practitioner preferably with at least 1-2 years experience. New grads are also encouraged to apply.

Abbotsford Hearing Clinic is independently owned and has been providing service to the lower mainland for over 30 years. We strive to provide expert patient care with a unique consultative approach to hearing healthcare.

We are looking for the following skills:

- Excellent customer service skills and exceptional clinical care.
- Advanced knowledge regarding hearing loss and hearing devices.
- Strong ability to provide accurate hearing evaluations, prescribe appropriate hearing devices, write medical reports to physicians and third parties, provide counselling and rehabilitation services, and trouble-shoot with adjustments and maintenance of hearing devices.
- Confidence with Real-Ear measures and diagnostic testing procedures.
- Ability to clearly communicate to customers and staff.
- Ability to trouble-shoot device maintenance and repairs with walk-in customers.

Qualifications:

- Master's Degree in Audiology or a degree as a Hearing Instrument Practitioner.
- Licensing through the College of Speech and Hearing Health Professionals of BC.
- Exceptional communication etiquette and customer service skills.
- Well organized with the ability to multi-task.

What we offer:

- Highly competitive wage based on experience
- A single location with no travel required.
- Part time or full time position available with no weekends, start date can be negotiated.
- Medical, dental, vision benefits
- Professional development allowance
- Paid annual professional memberships and liability insurance

Please send resume to: info@abbotsfordhearing.com
