

Ehara taku toa i te toa takitahi. Engari, he toa takitini.

Success is not the work of one, but the work of many.

Permanent, full-time

80 hours per fortnight (1.0FTE)

We are a small and supportive team providing a full range of diagnostic and rehabilitative services to the Hawke's Bay community covering neonates through to the elderly.

Our services are provided from purpose-built facilities at the Hawke's Bay Hospital in Hastings. The service also provides community clinics in Wairoa Health Centre. In addition, we also have support clinics for the Ear Nose and Throat department, based in Ahuriri, Napier.

You will be someone who has proven excellence in clinical practice and be interested in continuous professional development. You will have an interest in working with paediatrics.

You will be a full member of the New Zealand Audiological Society or be eligible for provisional membership, with a view to obtaining full membership after a period of supervision. We are happy to offer supervision to support you to obtain CCC qualification and Paediatric certification.

This role has leadership opportunities available for those that are interested in being involved in service development and improvement.

We are happy to negotiate hours - just chat to us!

Please apply online or for further information contact Flora Kay, Professional Lead Audiology on 06 8788109, extension 6951 or email flora.kay@hbdhb.govt.nz

If this sounds like you, review the position profile [here](#) and apply now!
