

At Bluebird Hearing, we are disrupting the hearing device industry. By setting up in high traffic retail locations such as regional malls, we are making hearing solutions significantly convenient for the every day patient. Based on a global hearing aid chain with over 100 stores, clinicians are compensated with a base salary and a generous profit sharing plan. With plans to start a national hearing aid clinic, we are starting small in Ontario and growing from there. Backed by world class investors, we have raised over \$5mm.

We are seeking to fulfill positions in the following regions

Hamilton  
Brantford  
St Catharine's  
Guelph  
Cambridge  
Waterloo  
Kitchener  
Burlington  
Oakville  
Mississauga  
Brampton

Job Description:

We are currently seeking a talented and compassionate Audiologist to join our dynamic team. The successful candidate will have the opportunity to make a meaningful impact on the lives of our patients by providing expert hearing care services.

Responsibilities:

- Conduct thorough audiological assessments, including comprehensive evaluations and hearing aid consultations.
- Perform diagnostic tests, such as pure-tone audiometry, speech audiometry, and tympanometry, to determine the nature and extent of hearing loss.
- Collaborate with patients to develop personalized treatment plans, including hearing aid selection, fitting, and adjustments.
- Provide ongoing support and counseling to patients on hearing aid use, maintenance, and communication strategies.
- Stay up to date with advancements in audiology, including new technologies, treatment techniques, and industry trends.
- Maintain accurate patient records and documentation.

# BLUEBIRD HEARING

- Collaborate with a multidisciplinary team, including physicians, speech-language pathologists, and other healthcare professionals, to ensure comprehensive patient care.
- Participate in community outreach programs to raise awareness about hearing health and promote our services.
