

*At **HearCANADA**, we are committed to changing one million more lives by 2028! Of the 466 million people in the world with hearing loss, our industry reaches less than 15% of them. Working for **HearCANADA**, you'll be part of a company big enough to shape the industry, and agile enough for you to make an impact. Help us make a difference in providing wonderful sound for all. **Join the team that's changing lives.***

Due to our continued growth, we're looking for passionate Audiologists to join our teams in **Ottawa, Cornwall, Belleville, and Etobicoke**. Looking to relocate to one of these cities or interested in an opportunity outside of Ontario? **Reach out to us about our generous relocation package!**

**What it is all about:**

As an Audiologist with HearCANADA, you are passionate about transforming the lives of those experiencing hearing loss. You will provide hearing evaluations, a high standard of client care, and follow-up with clients to ensure their needs are met. You are eager to join a growing team that values fostering a positive and supportive environment.

**What we offer you:**

- Competitive compensation package with profit-sharing programs
- Employer-funded benefits (starting on day one) with additional healthcare spending account
- RRSP program + employer matching
- Paid vacation and personal days
- Education Assistance and Health & Wellness programs
- Mentorship and development opportunities

**What you will do:**

- Support existing and new clients in their hearing journey by providing an assortment of audiological assessments and hearing evaluations
- Staying abreast of new trends in hearing aid promotions, fittings, and technological advancements to make the most meaningful recommendations to clients
- Building relationships with clients to ensure appropriate care is provided and post-care solutions are recommended
- Collaborating with our clinic team members to support both walk-in clients and inbound phone calls

**What we are looking for:**

- A graduate of a recognized Audiology program
- A registrant of CASLPO (College of Audiologists and Speech-Language Pathologists of Ontario) in good standing
- Working knowledge of hearing health care products and services with diagnostic/dispensing experience
- An excellent communicator who can establish a professional and individualized rapport with clients and team members

*HearCANADA is committed to fair and accessible employment practices, and we welcome and encourage applications from candidates with disabilities. Accommodations are available on request for candidates taking place in all aspects of the selection process.*
