

Audiologist

Ehara taku toa i te toa takitahi. Engari, he toa takitini.

Success is not the work of one, but the work of many.

Location: Hawke's Bay Hospital

Service: Audiology

Contract: Permanent, full-time 80hours per fortnight (1.0 FTE)

Korero mō te tūranga - About the role

Join our team of dedicated audiologists and make a real impact in the community. This is your opportunity to embrace the rewarding experience of working in the public sector, where you'll find greater challenges, and a wide range of diverse cases.

Our services are provided from purpose-built facilities at the Hawke's Bay Hospital in Hastings. The service also provides community clinics in Wairoa Health Centre. In addition, we also have support clinics for the Ear Nose and Throat department, based in Ahuriri, Napier.

We offer exceptional support for new graduates who are looking to obtain their Clinical Certificate of Competence and Paediatric Certification through the New Zealand Audiological Society. We can also support overseas graduates who are looking to gain membership to the New Zealand Audiological Society.. Our team is committed to nurturing your growth, providing guidance, and ensuring a seamless transition into the field. As a new graduate you'll find unmatched opportunities in the public sector to gain experience in a dynamic environment with a wide range of challenges.

This role has leadership opportunities available for those that are interested in being involved in service development and improvement.

We are happy to negotiate hours - just chat to us!

Mō tō mātou rōpū - About our team

We are a small and supportive team providing a full range of diagnostic and rehabilitative services to the Hawke's Bay community covering neonates through to the elderly.

We have the capacity for four audiologists and two administration support to make up the team. We work closely with our Newborn Hearing screening team, our ENT colleagues as well as our Advisors on Deaf Children and Ko Taku Reo Resource Teachers of the Deaf. We have strong links to other audiology departments across the country.

We predominantly see Children and young adults in our clinic. We aim to provide quality diagnostic assessments and a whanau centred and well-integrated multidisciplinary approach to rehabilitation for children identified with hearing loss.

We know how important a team approach is in audiology and have fostered a work environment that is supportive and fun to ensure a good team environment where everyone has value.

Moū - About you

You will be someone who has proven excellence in clinical practice and be interested in continuous professional development. An interest in working with paediatrics.

You will be a full member of the New Zealand Audiological Society or be eligible for provisional membership, with a view to obtaining full membership after a period of supervision. We are happy to offer supervision to support you to obtain CCC qualification and Paediatric certification.

If this sounds like you, review the position profile [here](#) and apply now!
