
We are seeking a dynamic and experienced audiologist to join our team of professionals serving the Tri-Cities area of British Columbia.

About Us

We are a client-centered independent organization dedicated to ensuring our team demonstrates compassion and empathy while providing exceptional client service to address the unique needs, goals, and expectations of our clients.

Who we are looking for

We are looking for an experienced audiologist that naturally provides friendly, compassionate and client-centered clinical care to clients. The successful candidate will be able to manage a busy caseload independently while working collaboratively with other team members. Experience with prescribing and fitting hearing aids, including the ability to explain the impacts of untreated hearing loss is an asset. Also, preference will be given to candidates with a cerumen management certificate.

Responsibilities Include

- Audiological assessments and report writing
- Prescribing, fitting, and verifying hearing aids from all major manufacturers
- Ability to communicate clearly with those who are struggling with hearing loss
- Greeting patients in a friendly manner and maintaining efficient patient flow on a daily basis
- Answering phones and checking voice messages
- Staying up to date with hearing industry through professional development activities

Qualifications & Expectations

- Master's degree or higher in Audiology with licence to practice Audiology and dispense hearing aids in British Columbia
- Current full registration with the College of Speech and Hearing Professionals of British Columbia as an Audiologist (RAUD) and Hearing Instrument Practitioner (RHIP).
- Cerumen management certificate
- Knowledge of the principals, practices, and procedures of audiology
- Knowledge of community development and health promotion principals and practices
- Ability and willingness to perform audiological tasks ranging from audiological assessments, hearing instrument evaluation and fitting, hearing instrument repair, counselling, etc
- Client-centered hearing healthcare approach
- Hearing aid dispensing experience
- Hearing aid repairs and cleanings for walk-in purposes
- Valid BC Drivers License

Benefits

- Competitive Salary and compensation package
 - Company events
 - Dental care
 - Extended health care
 - Life insurance
 - On-site parking
-
