

Campbell Hearing is a well-established private practice in Prince Edward Island. We provide a relaxed, professional environment for patients and staff alike – we love what we do and we're an awesome place to work! We are currently seeking audiologists and hearing instrument practitioners to join our fantastic team.

Responsibilities include:

- Hearing testing for pediatric (aged 4+) and adult populations
- Hearing aid prescriptions, fittings, and follow-up care for adults
- Tinnitus counselling
- Community outreach and education
- Industrial Hearing Testing
- Additional duties based on training and area(s) of interest (e.g. cerumen management)

Requirements/Qualifications:

- Masters degree in Audiology from a recognized, accredited program
- SAC certification & SAC member in good standing and/or HIP designation and licensure
- Compassionate approach to patient care
- Friendly, professional demeanor
- Strong organizational and time management skills
- Strong communication skills (oral and written)
- Able to handle sensitive information in a respectful, confidential manner
- Valid driver's license, as some travel may be required

Compensation/Benefits

- Competitive salary, vacation package and sick/personal days
- Group health, vision & dental benefits including long-term disability
- Pension option after 2 years
- Paid professional membership dues and professional liability insurance
- Conference Attendance Support

Please email a cover letter, which includes your available start date, and a copy of your resume to krista@campbellhearing.ca. Thank you for applying!
