### Hearing Healthcare Providers: Join Our Team and Make a Difference!

Are you an audiologist or hearing instrument dispenser tired of the retail model and seeking a more fulfilling career? At **The Hearing & Dizziness Clinic**, we focus on treating hearing loss in a medical model, where our goal is to provide exceptional care and meaningful impact on our patients' lives. If you're passionate about making a difference and dedicated to helping people hear better, we invite you to explore exciting opportunities to join our team!

### What We Offer

- **A Medical Model of Care:** Move beyond just selling hearing aids and be a part of a team that believes in a comprehensive medical approach to treating hearing loss. Our focus is on personalized care and positive patient outcomes.
- **Manageable Patient Load:** We believe in quality over quantity, allowing you to devote the time and attention needed to deliver the best care possible.
- **Continuous Learning:** We value professional growth and encourage our team members to attend at least two mandatory training events per year. Stay up-to-date with the latest advancements and best practices in audiology and hearing healthcare.
- **Competitive Compensation:** For CASLPO registered audiologists, the starting pay is \$45 per hour with a Masters and \$50 per hour with an Au.D. We also offer a supportive work environment, opportunities for advancement, and various benefits.
