

THE **MEDICAL CENTRE**
Hearing Services

Are you an audiologist who loves to lend an ear?

Join us and make a difference,
one decibel at a time!

At Medical Centre Hearing Services, we believe that better hearing leads to a better life. We are dedicated to providing top-notch hearing health services to our community, and we are looking for a talented Audiologist to join our team. If you are driven by compassion, excellence, and a desire to make a real difference, we want to hear from you!

As an independent audiology clinic, we offer a supportive environment that values continuous learning, professional growth, and a patient-centered approach. We are looking for a dedicated Audiologist to become a key member of our team and help us continue our tradition of excellence in hearing health care.

Job Summary

Medical Centre Hearing Services is seeking an Audiologist who will play a crucial role in enhancing the quality of life for individuals of all ages through comprehensive hearing care. You will work in a friendly, collaborative, multi-professional environment where your expertise and compassion are highly valued. Your responsibilities will include the prevention, diagnosis, and treatment of hearing disorders, along with patient education and support. Join us and become part of a team that is dedicated to making a positive difference in our community.

Duties

- Conduct comprehensive hearing assessments and evaluations for pediatric and adult patients, providing personalized care tailored to each individual's needs.
- Recommend and fit appropriate amplification devices, using the latest technology to enhance patient outcomes.
- Provide ongoing support and education to clients on the use and maintenance of hearing aids, ensuring they achieve the best possible hearing experience.
- Plan and implement treatment plans, collaborating with other healthcare professionals to deliver holistic care.
- Maintain accurate and confidential patient health records and documentation, ensuring compliance with industry standards.

Skills

- Strong communication and interpersonal skills, with the ability to build lasting relationships with patients and team members.
- Proficiency in computer applications, including Windows, Microsoft Office, Noah, and manufacturer-specific software.
- Punctual, professional, and reliable, with a strong work ethic.
- Self-motivated and able to work independently, as well as part of a collaborative team.
- Commitment to ongoing professional development and staying current with advancements in audiology.

Qualifications

- Master's Degree or Doctor of Audiology.
- Registered (or eligible for registration) with CASLPO and ADP.
- New graduates are welcome to apply, as we offer comprehensive mentorship to support your professional growth.

Benefits

- Competitive salary, commensurate with experience, with opportunities for performance bonuses.
- Health Spending Account to support your well-being.
- Relocation allowance to help cover moving expenses and mileage.
- Extra holiday break, allowing additional days off during the Christmas season.
- RRSP program with employer matching to help secure your financial future.
- Paid company events that foster team building and a positive workplace culture.
- Generous paid vacation and sick days to ensure work-life balance.
- Self-development and training opportunities to support your professional growth.
- Flexible work schedule: Monday to Thursday 8:30-4:30 and Friday 8:30-12:30, allowing for a long weekend every week.
- Join a supportive and collaborative team dedicated to providing the best hearing care in the community.

Application Process

If you're passionate about audiology and ready to join a team that's all ears, we'd love to hear from you! Please send your cover letter and resume to our Clinic Manager, Romina Martignetti, at rmartignetti@themedicalcentre.net. We appreciate all applications and promise not to keep you waiting on hold too long—we'll be in touch with those selected for an interview!
