

Join Our Team at Campbell Hearing!

Campbell Hearing, an independent practice in beautiful Prince Edward Island, is seeking Audiologists and Hearing Instrument Specialists for full-time, part-time, and locum positions.

In an era dominated by “big box audiology,” Campbell Hearing distinguishes itself by fostering a supportive and pressure-free environment for both staff and patients. Our team members benefit from a welcoming atmosphere that prioritizes the hearing health of every individual, regardless of where they are in their hearing journey.

Requirements/Qualifications:

- Master’s Degree in Audiology or HIS Certification from a recognized, accredited program
- Audiologists must hold SAC certification, maintain good standing with SAC, and be eligible for registration with CASLP PEI
- Compassionate and patient-centered approach to care
- Professional and friendly demeanor
- Strong organizational and time management abilities
- Excellent communication skills (both oral and written)
- Capacity to handle sensitive information with respect and confidentiality

Key Responsibilities:

- Conduct hearing assessments for children aged 4 and older, as well as adults
- Provide hearing aid prescriptions, fittings, and follow-up care for adults
- Engage in community outreach and education initiatives
- Perform industrial hearing testing
- Additional responsibilities based on training and areas of interest (e.g., cerumen management)

Compensation and Benefits:

- Competitive salary with vacation and sick/personal leave
- Group health, vision, and dental benefits, including Long-Term Disability coverage
- Pension plan option available after two years of employment
- Reimbursement for professional membership dues and liability insurance
- Support for conference attendance

To apply, please send a cover letter—including your available start date—and a copy of your resume to krista@campbellhearing.ca.

Thank you for considering a position with Campbell Hearing. Please note that only candidates selected for interviews will be contacted.
