

About Sense of Hearing:

At Sense of Hearing, we believe that healthcare should be about people, not profits!

Are you a **passionate** hearing care professional tired of relentless sales pressure and unrealistic performance target and KPIs? If yes, we want you to join our team!

At Sense of Hearing, we believe that patient care should come first. Our mission is to provide exceptional hearing solutions that truly meet the needs of our patients—without the stress of sales targets.

What We Offer:

- **A Supportive Environment:** Focus on building relationships and providing quality care rather than pushing products.
- **Patient Satisfaction:** enjoy the opportunity to support your patient through their hearing healthcare journey
- **Professional Development:** Opportunities for ongoing education and training to enhance your skills.
- **Collaborative Team Culture:** Work alongside like-minded professionals who prioritize patient well-being over sales quotas.
- **Competitive Compensation:** Enjoy a competitive salary and benefits package that reflects your expertise without the pressure to meet sales targets.

Your Professional Responsibilities Will Include:

- Conduct comprehensive hearing assessments on patients of all ages, including children.
- Cerumen management on patients of all ages.
- The selection, prescription, evaluation, fitting and follow-up of hearing aids and assistive listening devices.

As a member of the team, the successful candidate will enjoy every opportunity in building ongoing relationships with their patients throughout their hearing healthcare journey; starting from their initial consultation, technology selection, fitting and through to their continued follow-up care.

If you're ready to make a difference in the lives of others while enjoying a fulfilling and pressure-free work environment, we'd love to hear from you!
