

AUDIOLOGIST

OPPORTUNITIES IN SASKATOON, SASKATCHEWAN

The Saskatchewan Health Authority has employment opportunities for **TWO** permanent full-time Audiologists in Saskatoon at the Royal University Hospital.

We are seeking Audiologists to join Hearing Health Services to provide audiologic diagnostic assessments and intervention services. The positions include active involvement with the Saskatchewan Cochlear Implant Program and Newborn Hearing Screening Program. This is an exciting opportunity to contribute to the program's strategic and clinical standards goals, collaborate with other Health Science disciplines and improve the quality of life for clients with hearing, balance and communication disorders. The clinical roles focus on work with special populations including adults with severe to profound hearing loss, infants and young children.

Qualifications:

- Master of Science in Audiology (Audiology(MSc))
- Registered/eligible with the College of Speech Language Pathologists and Audiologists of Saskatchewan (CSASK)

Experience:

Clinical experience preferred, but new or anticipated graduates are encouraged to apply

Pay, Incentives, and Benefits:

- Wages: \$40.47 - \$49.49/hr
- Hiring incentives up to \$10,000 plus relocation may be available
- Defined-benefit Pension Plan
- Paid Annual Vacation (starting at 3 weeks/yr)
- MyWellbeing Program - resiliency resources, mental health and Family Supports
- Extended Health and Dental Plan
