

Registered Hearing Instrument Practitioner or Audiologist

Employment Status: 2-3 days per week

Location: Comox, B.C.

Gordon Hearing is an independently owned hearing care clinic serving the Comox Valley and surrounding areas since 2009. Gordon Hearing is a smaller, boutique style clinic run by one audiologist and three support staff. We are independent and not owned by a hearing aid manufacturer. We are becoming busier and looking for the right person to help alleviate the additional workload as more and more people are moving to our lovely area.

Gordon Hearing provides diagnostic hearing assessments, hearing aid fittings and follow ups to our longtime clientele consisting mainly of private patients and Veterans Affairs.

Responsibilities would include:

- Treatment of clients following bylaws and legislations established by the College of Health & Care Professionals of BC (CHCPBC)
- Hearing assessments including tone/speech testing, QuikSIN, tympanometry
- Ability to effectively communicate hearing results to patient
- Client referrals to other professionals and agencies for holistic, patient-centred care.
- Assist in the selection of the most appropriate hearing aid or aural rehabilitation with our clientele. *You are free to choose from any of the major hearing aid manufacturers.*
- Dispensing, hearing aid verification and patient follow up using patient outcome measurements
- Database management using HearWare platform

Qualifications:

- Registered and in good standing with the College of Health and Care Professionals of BC.
- At least one year experience in the field selecting and dispensing of hearing aids
- Strong interpersonal and communication skills

Hours of Work:

- 2-3 days per week possibly moving to full time, flexible days.

Compensation:

- Equivalent of \$95 000-115 000 per year (based on full time hours) dependent on experience and qualifications
- Extended health benefits
- Lifestyle Spending Account
- Paid vacation

At Gordon Hearing, we have built longstanding relationships with our clients and strive for optimal care and an exceptional hearing experience. We look forward to hearing from you. Please apply by email to:
