

WE PUT THE "CARE" IN HEALTHCARE

JOIN THE SALUS HEARING AND TINNITUS CENTRE TEAM

- ✓ ARE YOU A LICENSED AUDIOLOGIST OR HEARING INSTRUMENT PRACTITIONER?
- ✓ ARE YOU LOOKING FOR AN OPPORTUNITY TO BE MENTORED BY AN EXPERIENCED AUDIOLOGIST TO LEARN HOW TO ESTABLISH YOURSELF AS AN EMPATHETIC AUTHORITY?
- ✓ DO YOU HAVE A PASSION FOR LEARNING AND IMPROVING QUALITY OF LIFE THROUGH MEDICAL EDUCATION AND TREATMENT OF HEARING LOSS, TINNITUS, AND THE ASSOCIATED COGNITIVE IMPACT AND HEALTH RISKS?

If so, we think you belong here at **Salus Hearing and Tinnitus Centre!**

A day in the life of a Hearing Care Professional involves:

- Morning huddles with the team to connect, celebrate wins and set the stage for exceptional care
- Meeting interesting people in our community who are pre-educated and ready to treat their hearing loss and/or tinnitus
- Establishing a rapport with new patients to put them at ease using proven methods of engagement
- Using active listening techniques to understand pain points and establish yourself as an empathetic authority
- Conducting comprehensive hearing healthcare assessments to understand the extent of damage in the auditory system and its impact on hearing, cognition and overall health
- Establish yourself as a trusted authority by communicating the results and making strong recommendations for treatment
- Developing customized treatment plans to address the patient's specific needs
- Ongoing care and education for your existing patients to ensure continued use of treatment technology improving confidence, relationships and maintaining independence
- Accurate documentation of communications with patients, their family and other healthcare providers to ensure all team members are familiar with the patient and able to assist them
- Ending the day feeling fulfilled knowing you made a difference in the lives of your patients

What you get in return:

- Competitive Salary
- Full time permanent employment
- Medical benefits package on Day 1
- Employee wellness program
- Compensation for continuing education
- Attractive quarterly bonus
- Career growth and development opportunities
- Staff appreciation program

We'd love to hear from you if:

- You are licensed with one of Canada's provincial regulatory bodies or colleges
- You are passionate about client service and holistic care
- You are confident in your communication skills and want to make a difference in people's lives
- You have a driving curiosity about the science of Audiology, best practice, new technology, and your patients' lives
- You have a valid passport and are willing to travel for training, when required
