

FULL-TIME AUDIOLOGIST FOR GUELPH AND WATERDOWN

Sense of Hearing Canada is an independently owned and operated hearing healthcare company that has been in business for over 20 years. With 14 clinics in Ontario and growing, we are committed to providing a broad-range of top-quality hearing healthcare services to the patients we serve, and a network of opportunities to the hearing healthcare professionals we employ.

About the Role

Sense of Hearing Canada is seeking an experienced, motivated and reliable full-time Audiologist, to join our multi-disciplinary team of hearing healthcare professionals to work in both Guelph and Waterdown locations. This close-knit team of hearing healthcare professionals take pride in presenting their patients with a warm and educational hearing healthcare experience.

As a member of the team, the successful candidate will enjoy every opportunity in building ongoing relationships with their patients throughout their hearing healthcare journey; starting from their initial consultation, technology selection, fitting and through to their continued follow-up care.

Qualifications

Minimum Master's degree in Audiology from a certified accredited University.
Registered with the College of Audiologist and Speech-Language Pathologists of Ontario. (CASLPO).
Must have ADP Authorizer Status.
Minimum 2 Years of Clinical Experience

The successful candidate must possess both exceptional interpersonal communication and clinical diagnostic skills and also be able to work independently, or in a collegial team environment as needed. Your experience must include: hearing assessments on

patients of all ages, including numerous children, cerumen management and the selection, evaluation, fitting and follow-up of hearing aids and Assistive Listening Devices.

Compensation

Sense of Hearing offers a competitive compensation package.

Additional Benefits

Professional Dues Support (Annually).

Benefits – Health, Dental, Life and a RRSP plan.

Vacation – Starting with 4 weeks.

Professional Dues Paid by the Company.

Support for Ongoing Education and Learning.

Clinics equipped with State-of-the-Art Hearing Healthcare Technology.
