

Campbell Hearing is a growing independent practice in beautiful Prince Edward Island, and we're hiring! We are looking for Audiologists and Hearing Instrument Specialists for full-time, part-time, or locum positions.

In contrast to big-box audiology, we offer a relaxed, patient-first environment, free of sales pressure. Join a friendly team that truly values hearing health at every stage of the patient journey.

Requirements/Qualifications:

- Master's Degree in Audiology or HIS Certification from a recognized, accredited program
- Audiologists must be SAC certified, an SAC member in good standing and eligible for registration with CASLPPEI
- Compassionate approach to patient care
- Friendly, professional demeanor
- Strong organizational and time management skills
- Strong communication skills (oral and written)
- Able to handle sensitive information in a respectful, confidential manner

Responsibilities include:

- Hearing testing for children ages 4+ and adult populations
- Hearing aid prescriptions, fittings, and follow-up care for adults
- Tinnitus counselling
- Community outreach and education
- Industrial Hearing Testing
- Additional duties based on training and area(s) of interest (e.g. cerumen management)

Compensation/Benefits

- Competitive salary, vacation, sick/personal days
- Group health, vision & dental benefits, including Long-Term Disability
- Pension option after 2 years
- Paid professional membership dues and professional liability insurance
- Conference Attendance Support

Please email a cover letter and a copy of your resume to krista@campbellhearing.ca.

Thank you for applying! Only candidates selected for interviews will be contacted.
