

WE'RE HIRING

Audiologist/ Hearing Instrument Specialist

Who we are:

We are a small, family-owned and operated, independent clinic, serving the Calgary area. Our business goal is to provide dedicated, personalized service to those who need care regarding their hearing. Through unwavering dedication to patient-centered care, education, innovative technology, and expert guidance, we strive to make a profound impact on the lives of those we serve.

Responsibilities:

- Diagnostic assessments for a diverse patient base
- Provide rehabilitation services, including prescribing, fitting, and verifying amplification devices and/or assistive devices
- Counsel patients and their family about hearing difficulties and possible treatment options
- Hearing aid maintenance and verification
- Cerumen management
- Maintain accurate records of each patient encounter and generate reports
- Community outreach and social media
