

Midland, ON

About Us: Hear Ontario is a patient-centered hearing clinic dedicated to improving quality of life through comprehensive hearing healthcare. We combine advanced diagnostic technology with compassionate, personalized care for patients of all ages. We are driven by passionate people with a common purpose to make a difference in people's lives by being straightforward, optimistic, friendly, fresh and trustworthy.

Job Description: We are seeking a licensed Audiologist to join our growing team. The ideal candidate is clinically skilled, patient-focused, and passionate about hearing healthcare. This role involves diagnostic evaluations, hearing aid services, counseling, and collaboration with other healthcare professionals.

Key Responsibilities:

- Conduct comprehensive audiological evaluations to assess hearing loss
- Recommend, fit, program, and verify hearing aids and assistive listening devices
- Provide patient counseling and education on hearing loss and treatment options
- Perform hearing aid follow-ups, adjustments, and repairs
- Maintain accurate and timely clinical documentation
- Collaborate with physicians and other healthcare providers as needed
- Stay current with best practices and continuing education

Qualifications:

- Doctorate (AuD) or Master's degree in Audiology from an accredited program
- Certified or eligible for certification with CASLPO

- Strong interpersonal and communication skills
- Patient-focused, detail-oriented, and organized
- New graduates are welcome to apply

What We Offer:

- Competitive salary and performance incentives
- Healthcare Spending Account (for full-time positions)
- Paid time off and holidays
- Continuing education support
- Modern equipment and strong administrative support
- Friendly, collaborative work environment

How to Apply:

Please submit your resume and cover letter to marianne@hearontario.ca.
