LAKE COUNTRY HEARING CLINIC

210, 3121 Hill Road • ph: 250-766-0294 • fx: 236-420-4669

KELOWNA HEARING & BALANCE CLINIC

202, 3295 Lakeshore Road • ph: 236-420-0294 • fx: 236-420-4669

Lakeside Hearing, Balance and Tinnitus Centre is seeking a full time Audiologist to cover a maternity leave position, beginning June or July (flexible start date). Further opportunities may arise for permanent employment for the right candidate. Must have strong interpersonal skills and be eager to work in our independent and locally owned clinic. We are a diagnostic and rehabilitation audiology clinic that works with patients of all ages with vestibular, hearing loss, tinnitus, auditory processing, and/or sound intolerance concerns.

More information about our existing team and what our clinic offers can be found at

www.lakesidehearing.com

Job Requirements:

Registered with BC College (or application pending)

Has a valid driver's license

Ability to work at both our Kelowna and Lake Country clinic (reliable transportation to and from work)

Ideal candidate:

Motivated to work in all subspecialties of audiology, with particular interest in diagnostic hearing, tinnitus & management, pediatrics, auditory processing. Vestibular work is a possibility for the right candidate.

Excited to work in a dynamic audiology clinic, providing a full scope of practice

Comfortable and/or motivated to work with all hearing aid manufacturers

Super friendly with excellent communication skills

Happy to work in a team environment and support all co-workers

Willing to work between Kelowna and Lake Country when needed

Additional features that are considered an asset:

Familiar with third party (i.e., WorkSafe BC, VAC, FNHA) fee schedules

Comfortable working in a paperless environment (familiar with Google Drive, Gmail, EMR = Input Health)

BC College RHIP certification (or pending) ~ this may change depending on current legislation under review
