

Position: Audiologist or Hearing Instrument Specialist

Location: Multiple Positions Available - GTA, Hamilton, Ottawa, London

Why Work at Hearing Solutions?

At Hearing Solutions, you have the opportunity to truly make a difference. Hearing allows people to live fully, connecting with others and experiencing the world without limitations. In this role, you're not just providing care, you're reconnecting people to the world of sound.

We're building a culture of collaboration and curiosity, where great work is recognized and people inspire one another to succeed. Our team lives our core values every day, and we celebrate both achievements and the individuals behind them.

Our environment is warm, supportive, and team-oriented. We believe our success is driven by our people, and when our employees feel valued and fulfilled, our entire organization thrives.

Make an impact. Feel good. Thrive and succeed.

About the Opportunity

Our Clinicians are the heart and face of Hearing Solutions. Through trust, expertise, and compassion, they bring our mission to life every day.

We're looking for a passionate and experienced **Audiologist or HIS** to join our clinics in Ontario, with open positions in Ottawa and Scarborough as well as opportunities throughout the GTA, Hamilton and London. This is an exciting opportunity to take ownership of a clinic while delivering meaningful, patient-centered care.

What You'll Do

As part of our team, you will:

- Build strong, lasting relationships with patients from initial consultation through ongoing care
- Assess, diagnose, and treat hearing concerns using the best technology and techniques
- Dispense and fit hearing aids, providing tailored solutions to meet individual needs
- Deliver exceptional counselling and follow-up care to support long-term outcomes
- Manage clinic operations with a focus on quality care and patient satisfaction

You'll also benefit from ongoing professional development, access to the latest industry advancements, and a supportive environment that encourages growth.

What You Bring

You are a motivated and compassionate professional who takes pride in delivering exceptional patient care. You build trust quickly and communicate with clarity, empathy, and confidence.

Qualifications & Skills:

- Master's Degree in Audiology or HIS Certification
- Licensed with CASLPO/AHIP and registered with ADP
- Strong verbal and written communication skills
- Ability to clearly explain and tailor recommendations to patient needs
- High attention to detail with strong analytical and follow-through skills
- Patient-focused approach with empathy, active listening, and professionalism
- Strong influencing skills to guide patients toward the best outcomes
- Accountable, organized, and results-oriented
- Ability to multitask, prioritize, and adapt in a dynamic environment

Why You'll Love This Role

This is more than a job, it's a chance to make a meaningful impact in people's lives every day while growing your career in a supportive and forward-thinking organization.

Pre-Employment Assessment

As a part of our hiring process, we require applicants to complete a 30 minute online pre-employment profile assessment.

We recommend taking the assessment in an environment where you can focus and not have any distractions.

Please use the following link (copy & paste into your browser) to access and complete your assessment which is a requirement to move through the recruiting process.
