

WE ARE NOW ACCEPTING APPLICATIONS

**FOR AUDIOLOGIST POSITIONS IN ST. JOHN'S & GRAND FALLS-WINDSOR, NL
(PERMANENT, FULL-TIME)**

Maico Hearing Service is a full-service hearing health care clinic that provides audiology services through locations in St. John's, Harbour Grace, Marystown, Grand Falls-Windsor, and Corner Brook in the beautiful province of Newfoundland and Labrador. We pride ourselves in providing exceptional hearing health care to our patients and a very supportive work environment for our team members, which encourages personal, professional and financial growth. We are currently seeking permanent, full-time clinicians to add to our dynamic team of professionals. The successful applicants will receive a competitive salary, health and dental benefits, RRSP benefits, and mentorship support for new/recent graduates. We also understand how daunting it is to graduate with a mountain of student loan debt. As an incentive, the practice is willing to contribute toward paying off your student loans.

MAIN RESPONSIBILITIES:

The successful candidates will be responsible for a variety of clinical duties including pure tone and speech audiometry; immittance; impression taking; cerumen management; selection and prescription of hearing aids; hearing aid verification and validation; patient counseling; and other related duties as required.

JOB REQUIREMENTS:

A Master's Degree in Audiology; excellent written & oral communication skills; and the ability to work well independently and as part of a team.
