

## CLINICAL/DISPENSING AUDIOLOGIST

Full time vacancy in Miramichi, NB

Argus Audiology is an independently owned, dispensing Audiology practice that currently has four locations: Moncton, Riverview, Miramichi, and Saint John. Locally owned and operated for 48 years, we provide exceptional hearing care services that meet the needs of our valued patients.

Our mission is to serve our patients by providing ethical comprehensive Audiology services backed by education and experience, in well-established hearing centers, with the ultimate goal of improving our patient's quality of life. At Argus Audiology, we work with the patients, their families, and their health care providers to determine the best course of action for their hearing concerns. It is our objective to respectfully guide our patients through the delicate process of diagnosis, counseling and the treatment of hearing loss and/or tinnitus, while making this experience as easy and positive as possible. We pride ourselves in offering professional and knowledgeable hearing care services with a personal, friendly touch. We take the time to get to know our patients and we recognize that their hearing needs may change over time. We don't believe in a "one-size-fits-all" solution. We simply believe in quality, in every detail.

### Responsibilities

- Provide a high standard of patient care through assessment, counselling, and treatment planning.
- Support patients with hearing loss and/or tinnitus using an individualized, patient-centred approach.
- Work collaboratively with patients, their families, and health care providers to determine appropriate care plans.
- Deliver exceptional customer service in a professional and compassionate manner.

### Requirements

- Master's Degree in Audiology.
- Eligibility to be registered with the Regulatory College of Audiologists & Speech-Language Pathologists of New Brunswick (RCASLPNB).
- Hearing aid dispensing experience is considered an asset.
- Bilingualism is considered an asset.

We offer a competitive salary and benefits package, as well as ongoing training and support.

If you are committed to delivering personalized, high-quality hearing care and want to join a well-established, patient-focused practice, we would love to hear from you.
