

Audiologist – Brentwood Bay & Saanichton, Vancouver Island, BC

(20 min from downtown Victoria)

Join Hear Inc. and truly use the full scope of your audiology training while living on picturesque Vancouver Island.

About Us

Hear Inc. is a patient-centered audiologist-owned company proudly serving the Greater Victoria Area. We specialize in comprehensive hearing care for children and adults, with a focus on the assessment and treatment of hearing loss, tinnitus, auditory processing disorders (APD), and excess cerumen. Our approach is collaborative, evidence-based, and rooted in compassionate care.

The Opportunity

We are seeking a motivated and caring Audiologist to join our busy team. This is a unique opportunity to practice at the full extent of your audiology education and clinical scope – not just routine testing and hearing aid dispensing, but truly comprehensive care.

In this role, you will have the autonomy and support to apply your full skillset, including diagnostic expertise, counselling, rehabilitation, and specialized services such as tinnitus and APD management. If you're looking for a position where your training is fully valued and utilized, this is it.

Key Responsibilities

- Conduct comprehensive diagnostic hearing assessments for pediatric and adult populations
- Develop and implement individualized treatment and rehabilitation plans
- Provide tinnitus evaluations and management, including Lenire (training provided)
- Assess and manage APD (training can be provided)
- Perform cerumen management, including micro-suction (support in certification can be provided)
- Prescribe and fit amplification
- Demonstrate knowledge and understanding of third-party insurance contracts
- Educate patients and families on hearing health and communication strategies
- Collaborate with physicians, educators and other healthcare professionals

- Maintain accurate clinical documentation in a paperless environment

Qualifications

- Master's or Doctorate in Audiology
- Registered or eligible for registration with the College of Health and Care Professionals of BC (CHCPBC)
- Strong clinical skills across the audiology scope of practice (training can be supported)
- Excellent communication and interpersonal skills
- Commitment to patient-centered care and continuous professional development

What We Offer

- Competitive salary and benefits package
- Support for continuing education and specialty training
- The ability to fully utilize your education and challenge yourself
- Opportunity to work with diverse populations and complex cases
- Work-life balance in a beautiful island community

Location

This position is based in Brentwood Bay and Saanichton, British Columbia, offering a blend of small-town charm and easy access to downtown Victoria. Rental rates in the area are also more reasonable than those closer to downtown.

Our clinics are situated in the two hubs of the Central Saanich district, and the position would work between the two locations – a 7 minute drive.

How to Apply

If you are passionate about teamwork, improving the quality of life of your patients and want to work in a role where your full expertise is applied and valued, we would love to hear from you.

Please submit your resume and cover letter to Hear Inc.:
